FIRST AID AND SAFETY

We make it easy to order and maintain your **First Aid Cabinets and Kits** to meet all OSHA/ANSI requirements. And we give you the tools to have the peace of mind that all of your sites are in compliance.

We carry a full line of PPE items from Gloves, Masks, Sanitizers, and other items!

AED'S AND AED COMPLIANCE MANAGEMENT

We carry all major brands of **AED's** and all of the supplies necessary to keep them operational.

We also have an **AED Program Management system** that helps you monitor and maintain compliance with your state's **AED Good Samaritan laws** including prescription, medical direction, EMS notifications and more.

EMERGENCY PREPAREDNESS

Sheltering in place is often overlooked aspect of a safety program. We have what you need for your employees to spend an extended period of time at your workplace.

Why FC Safety:

- **Expert Advice** – We are available to help you with all your safety needs
- **Comprehensive Solution** – We give you access to all the equipment needed to maintain a robust safety program
- **Compliance Expertise** – We help you maintain compliance with state and federal agency requirements

FIRST AID & AED/CPR TRAINING

American
Heart
Association®

American
Red Cross

Training is a vital part of any safety program; and it is usually a requirement as well, especially when it comes to **First Aid, AED/CPR courses**. We only teach nationally recognized curriculums in a variety of formats including:

- ✓ Traditional
- ✓ Blended
- ✓ Hybrid

Why a company should maintain their own safety program:

- **Control** – Be in charge of ordering only what you want and need
- **Convenient** – Our technology makes it easy to monitor and reorder
- **Risk Management** – Involvement by your employees dramatically improves chances for successful outcomes
- **Cost Effective** – Our solution saves up to 50% over van-based first aid service
